 Students with medications in the office need to have their parents pick up the medications by the last day of school.

 **Attention 6th and 7th graders: Is your schedule next year so full that you didn't get to take all of the electives you are interested in? Would you like to free up some time in your schedule so that you can plug in an elective class you really wanted, but just didn't have the room? Well, we have the answer for you. You can take the same computer class that everyone has to take next year this summer, and get it over in 3 weeks. Forms are available in the office if you are interested.**

 Attention all 6, 7, and 8 graders. If you have any books from Mrs. Mallery's classroom, please return them. All books need to be returned by the last day of school. We will be using the classroom books for our summer school program. Thanks!
